**Membership Pledge:** In becoming a member of the Father Earth Organic Farm CSA, I understand that I am making a financial commitment for the 2021 season. I realize that due to the inherent risks of farming there are no guarantees on the exact amount of produce I will receive, but I am willing to share the risks and reap the benefits of the farm. *I understand that no refunds for CSA shares will be granted during the season.* It is my responsibility to pick up my share each week during the designated time period, or to send someone to pick it up for me.
